going the extra mile

Dinex GROUP

The Dinex Group is a leading global supplier of innovatively engineered gas and diesel exhaust aftertreatment emission solutions for the heavy duty truck, construction & agricultural vehicle industry.

Every day our products and technologies clean the exhaust gas from millions of vehicles worldwide in compliance with the most stringent emission legislations, such as EURO VI and EPA10, and with solutions in place for carbon-neutral fuels and hydrogen applications, as well as future emission regulations. Dinex is a part of a green, climate-neutral future for future generations.

The Dinex Group, headquartered in Denmark, operates through 14 companies and 1,800 dedicated people worldwide. Dinex is present in 14 different countries, 4 regions, with 7 global tech centers and facilities in Denmark, USA, India, China, Turkey, Germany and Latvia. Additionally, Dinex has sales and distribution companies in Spain, Italy, France, Germany, UK, Poland and Serbia.

Finance at Dinex

As our new Finance Controller, you will join our global team, which serves as a key function at Dinex through the development of new products, technologies, and methods. We are a team of highly motivated professionals who work on defining and executing the high ambitions of Dinex – and we make sure to have fun from time to time.

Qualifications

We expect you to:

- *Strong accounting background, preferably as an Auditor or similar*
- *Solid understanding of financial reporting and consolidation, including group structures*
- *In-depth knowledge of The Danish Accounting Act (ÅRL)*
- *Strong balance sheet focus to secure "no surprises"*
- *Proven experience with group consolidation using a consolidation system not based on Excel*
- *Strong analytical mindset with high attention to detail*
- *Experience working with ERP systems; familiarity with XAL is an advantage*
- *Ability to communicate professionally in English, both verbally and in writing*

Roles & Responsibilities

- Drive the development and improvement of group reporting and consolidation processes
- Lead the transition from Excel-based consolidation to automated, transaction-level consolidation
- Ensure high quality, consistency and compliance in group financial reporting
- Act as a key contributor in the preparation of annual financial statements
- Strengthen the foundation for consolidation by improving data quality and structure in the ERP system
- Participate in XAL Excellence initiatives, including travel activities, to streamline ERP usage across the organization
- Collaborate closely with finance teams and stakeholders to ensure scalable and future-proof reporting processes
- Support continuous improvements in financial governance, controls and documentation

Career Perspectives

For the right candidate, we offer a unique opportunity for growth in competencies, personality, and a career opportunity nationally as well as globally.

With the right attitude, potential and willingness, you will experience Dinex as a company with strong values and high professionalism. Last but not least, we see an attractive future ahead of us, and you will be part of a company that is at the forefront of the sustainability agenda.
