

Supply Chain Manager

UK

going the extra mile

Dinex GROUP

The Dinex Group is a leading global manufacturer and distributor of innovative engineered gas and diesel exhaust aftertreatment emission solutions for the heavy duty truck, construction & agricultural vehicle industry.

Every day our products and technologies clean the exhaust gas from millions of vehicles worldwide in compliance with the most stringent emission legislations, such as EURO VI and EPA10, and with solutions in place for carbon-neutral fuels and Power-to-X applications, Dinex is a part of a green, climate-neutral future for next generations.

The Dinex Group, headquartered in Denmark, operates through 20 companies and 1,500 dedicated people worldwide. Dinex is present in 13 different countries, 4 regions, with 6 global tech centers and facilities in Denmark, USA, India, China, Turkey, UK, Germany and Latvia. Additionally, Dinex has sales and distribution companies in Spain, Italy, France, Germany, UK, Poland and Serbia.

Aftermarket Supply Chain Manager at Dinex Group

Are you ready to take the lead in shaping a world-class supply chain for a global leader in Exhaust and Emission solutions?

Dinex is looking for a results driven Supply Chain Manager to lead and optimise our European end-to end supply chain processes in the Aftermarket division.

This is your chance to make an impact in a growing international company focused on innovation, sustainability and customer value.

The position will be located in the UK ideally in the North West and report to Aftermarket Product and Supply Chain Director based in Warrington.

Supply Chain at Dinex

As our new Supply Chain Manager, you will be the strategic and operational lead for the end-to end supply chain in the Aftermarket Division.

You will work closely with Global and regional teams to ensure we meet customer demand with speed, efficiency and precision.

The supply chain in Dinex covers distribution, regional warehouses, logistics and our sales & operations planning process,

The aftermarket is unpredictable, so we need to ensure agility and flexibility in our supply chain

Qualifications

As Dinex we promote diversity and inclusion, we focus only on the qualifications below when we review applications:

- Minimum 5 years of experience within supply chain management preferably within the automotive aftermarket industry
- Bachelor's degree in supply chain management or equivalent
- Strong analytical and data driven decision making skills
- Experience working in matrix organizations with international working exposure
- Well-trained leader who understands to promote team members performance through coaching, visibility and constant motivation with high process discipline
- Strong business mindset and experienced in navigating through KPI's objectives with lines directly to Dinex' strategies with Digitalization in focus
- Outstanding organization and communication skills with participative management style.
- Experience with ERP systems and supply chain planning tools
- Commercial mindset essential so that we put customer experience at forefront of our decision making
- Fluent in oral and written English

Roles & Responsibilities

- Leading and developing supply chain operations including forecasting, ROP calculations, inventory and sister companies warehousing levels
- Setting the structure and organization for the supply chain department to ensure alignment with the overall aftermarket strategy
- Collaborating cross-functionally with Sales and Production teams to ensure timely product availability and customer

satisfaction

- Driving demand planning and forecast accuracy across key markets
- Sponsoring strategic supply chain projects
- Implementing digital tools and best practices to enhance visibility
- Managing supplier relationship and performance
- Leading continuous improvement projects in line with Lean and sustainability principles
- You should expect around 20-30 travel days a year

Career Perspectives

For the right applicant we offer a challenging and rewarding supply chain position, which will put your skills to the test. Additionally, growth in competencies, personality, and a career opportunity nationally as well as globally.

With the right attitude, potential and willingness, you will experience Dinex as a company with strong values and high professionalism. Last but not least, we see an attractive future ahead of us, and you will be part of a company that is at the forefront of the sustainability agenda.

Interested?

We are looking for someone who can join us as soon as possible, so please apply soon! In case you have any questions, feel free to contact Stine Kristensen, Group HR Business Partner, at snk@dinex.dk.
